MEMORANDUM FOR THE RECORD

Morning Meeting of 21 September 1967

A-DD/I briefed the Director on this week's report from Task Force LOOKOUT. The conclusions were negative.

A-DD/I reported on his meeting with the staff of the special sub-committee under Representative Hardy.

[REDACTED]

25X

Godfrey noted that the second memorandum on the Giap statement has been published.

Kent discussed changes in the North Korean Estimate on today's USIB agenda.

DD/S described the actions he is taking to disseminate the Presidential letter and the Vice President's speech.

Carver noted he will be seeing Senator Hollings this afternoon.

Warner said that he had been informed by Representative Henderson's staff that the congressman has no plans as yet to take up the "invasion-of-privacy" bill.
